DRAYTON VALLEY, ALBERTA

WEDNESDAY, AUGUST 19th, 1970

New Subdivision Going Ahead

Construction is moving ahead in the new Lindgren subdivision at the eastern edge of town with about ten homes now being built as the photos above show. Total of new dwellings in town from January 1st to date is 34 and total value of building permits for the same period amounts to $594,830. The month of July accounted for $218,900 of the total.

D.O.T. ECONOMISTS STUDY LOCAL AIRPORT REQUEST

Economists of the Federal Department of Transport were in Drayton Valley last Friday to meet memebers of Town Council and to investigate the economic feasibility of constructing a new airport to serve the area.

At a meeting in the Council Chamber Friday afternoon the Federal Government's policy regarding airport construction assistance was outlined and its application in regard to the Drayton Valley proposal discussed.

The department has a budget of one million dollars to spread as required across the country. A number of other western points are presently seeking assistance for 1971 and '72 projects including the City of Edmonton with a request for $400,000.

The Drayton Valley application seeks assistance in the neighborhood of $100,000 for construction of runway and parking areas. Purchase of land and construction of necessary buildings is the responsibility of the community.

Mayor Tom Johnson and Mr. Don Vanstone, members of the Airport Committee, presented a revenue and expenditure outline that indicates the proposed undertaking would be self-liquidating and would not add to the community tax burden. The report is based in part on the Ponoka experience where a similar airport is in operation.

The report notes that expressions of interest to use local airport facilities have been received from Galaxy Aviation Ltd., the Department of Lands and Forests and several private aircraft owners.

The report takes into account only immediate prospective users and notes that it can be reasonably expected that greater use of the facility would be experienced when ready and promotional efforts undertaken.

Galaxy Aviation has indicated its intention of proceeding immediately with the construction of a hanger and workshop facilities worth about $80,000 as soon as approval is received from Ottawa. The firm, presently renovating water bombers at its Buck Creek location, would be prepared to use a dirt strip in the interval before runway paving is completed.

The Forestry Department has also expressed interest in locating water bombers and the necessary ground facilities here if an airport of sufficient size for its requirements is constructed.

The Drayton Valley proposal is for a 5,000 foot runway, which would accommodate the water bombers.

The revenue and expenditure sheet prepared by the committee shows a projected revenue of $8,104 yearly, against an expenditure of $8,100 (The balance sheet is printed below).

The D.O.T. economists went into detail in discussing the possible use and future of the proposed airport as well as the economic outlook of the community.

Following the meeting in the Council Chamber the site of the proposed airport north of town was visited with the Ottawa delegation also expressing their approval of the location.

Following the meeting here the D.O.T. representatives left to return to Ottawa where their findings will be incorporated into consideration of the Drayton Valley application.

REVENUE AND EXPENDITURE SHEET

PROJECTED REVENUE - ANNUAL		
1. Galaxy Aviation Ltd.		
Building area - Hangar and shop	8600 sq. ft. @ 4¢ per sq. ft.	$ 344
Residence	2000 sq. ft. @ 4¢ per sq. ft.	$ 80
Land area in addition to building sites @ 2¢ per sq. ft.	20,000 sq. ft.	$ 400
2. Department of Lands & Forests		
Land area 100,000 sq. ft. @ 2¢ per sq. ft.		$2000
Building area for storage of supplies etc. 2000 sq. ft.	@ 4¢ per sq. ft.	$ 80
3. Private Hangars		
Estimated 5 in number - 50 lineal front feet each	5 x 50' = 250 lineal feet @ $2.00 lineal front feet	$ 500
4. Ground fees - aircraft tie downs		
Estimated 15 tiedowns @ $10 per month each	= 15 x $10.00 = $150 per month x 12	$1800
5. Revenue from gas sales Royalty		
Estimated sales annually 50,000 gals. @ 3¢ per gal.		$1500
6. Oilwell surface rentals - S.E. 33-49-7-W5		$ 750
7. Per capita charge - Charter passengers using strip		
Estimate 800 persons per annum @ 50¢ per person		$ 400
8. Miscellaneous Revenue - agricultural land etc.		$ 250
	Total projected Revenue	$8104
PROJECTED EXPENDITURES:		
1. Utilities, supplies, maintenance, snow removal etc. Estimated		$2400
2. Repayment of Principal and Interest		
$55,000 repayable over 20 year term @ 8½%		$5700
		$8100

Tennis Club Plans Tourney This Weekend

The Drayton Valley Tennis Club will be holding its annual tournament commencing this Saturday, August 22nd. There will be four divisions, mens, ladies, girls and junior boys. Members are asked to sign up immediately at the tennis courts. Kindly contact Mrs. Coppens, Pat Hurley or Jeff Wardlow for further information.

JUNIOR CITIZEN AWARD WINNER

Timmy Town, son of Mr. and Mrs. Don Town of Moon Lake, has been selected as one of the award winners in this years Calgary Power Junior Citizen program.

He was recommended for the award by Mr. Hubert Forecast, Honorary Fire Chief of the County of Parkland and a former chief of the Entwistle Fire Department and submitted to the selection committee by The Western Review early in February.

Mr. Forecast noted that the Entwistle Fire Department responded to a fire call to the Town home near Moon Lake at 6 p.m. on January 17th.

When firemen arrived on the scene they found Timmy on the roof of the building where he had controlled the fire by shovelling snow on the flames. Thirteen years of age at the time, he was completely exhausted from his shovelling efforts and had to be carried from the roof by firemen.

He had earlier removed the other children from the house before dragging up a large ladder to reach the fire on the roof.

Presentation of awards will be made at a luncheon at the Palliser Hotel in Calgary during the Alberta Weekly Newspapers Association Convention on Friday, September 11th. Lt. Governor Grant MacEwan will make the presentations.

The winners will meet in the Palliser's Corral Room at 11:00 a.m. and a tour of the Husky Tower will precede the awards luncheon. During the afternoon a tour of Heritage Park is planned.

TIMMY TOWN

Young Timmy has undergone more than his share of adventures and misadventures in his 13 years. As a two year old he was lost overnight in heavy bush near his home and the object of an intensive search by a large number of people.

Dressed in only light summer clothing he spent the night in the bush and was not found by searchers until about eleven the following morning.

Evansburg Council Studies Recreation

Four tenders for the construction of sidewalk along Block 13, Plan 3058 E.T. were opened at the regular meeting of the Evansburg Council on August 10th and the contract awarded to E. Law Construction.

Arrangements were made for a meeting to be held by Council on August 13th with members of the Parkland Regional Recreation Council and the Evansburg and District Recreation Board to discuss the possibility of the local board becoming a member of the Parkland Regional Recreation Council. A later meeting to be held with the Evansburg and District Recreation Board and the Evansburg Curling Club to discuss the insurance claim and construction of the curling rink.

A meeting was called on August 17th to study methods of controlling the turbid water conditions which occur in the water distribution system during periods of heavy runoff.

The purchase of one breathing apparatus for the fire department was approved.

F. Croft advised that although they will remain members of the Volunteer Fire Department, he had resigned as Chief, G. Tuttle as Deputy Chief, C. Bjornstad and R. Marshall as Captains.

F. Schroder was appointed Returning Officer for receiving nominations September 23rd for two council vacancies occuring due to the terms of G. Dompnier and G. Lorenz expiring.

The next regular council meeting will not be held until September 23rd as the Village Office will be closed from August 31st to September 21st inclusive due to the Secretary Treasurer's annual holiday. Any urgent matter will be handled by contacting G. Dompnier.

Plan Survey Senior Citizens

The Purple Pansy Senior Citizens Association is conducting a door to door survey of people over 60 years of age which will be held during these next few weeks. This survey is to determine the type of accommodation required. If you are not approached, a mail-in form will be in a forthcoming edition of this paper.

Town Police Car Damaged

Considerable damage was done to the former town police car last weekend by vandals who entered the Public Works yard where the vehicle is now stored.

The red flashing light was removed from the roof and engine parts damaged. The incident is being investigated by the R.C.M.P.

204.8.99A

TIME GROWING SHORT FOR HOCKEY SCHOOL ENROLMENT

This is the last call for the Drayton Valley Hockey Camp starting on August 25th, and carrying through the entire week, closing on the evening of August 31st. It's all aboard with conductor Clare Drake and his excellent crew for a week in hockeyland. A week at the Centennial Civic Centre where the fundamentals of skating, shooting, stickhandling, passing, checking, offensive play, defensive play, goaltending, position and play situations will be taught and drilled day in and day out for all seven days.

The daily program consists of two hours and fifteen minutes of instruction and practice divided into three sections: (a) a fifteen minute chalk talk prior to ice time, (b) 90 minutes of concentrated ice time and (c) thirty minutes of post ice time conditioning, weight lifting and instructional films. Not a minute is wasted as Coach Drake and his lieutenants will be conducting the usual challenging program. The final day of the camp will feature regular inter-squad games for all groups involved.

Each candidate entering the camp will be placed in a group according to his age, height, weight, ability and experience. Each group will be allotted their daily session time. All candidates will be notified as to their grouping and their session times at the start of the camp. As previously noted, each group will be limited to 28 to 30 boys in order that each candidate will get as much individual attention and training as possible.

Each boy will be responsible for his own equipment including his helmet which is mandatory at this camp. Sticks, tape, skate laces and other miscellaneous articles will be available for purchase at the Civic Centre throughout the duration of the camp. Skate sharpening facilities will also be available right at the Civic Centre every day. All personal hockey equipment should be very clearly labelled with the name of the owner. The hockey camp nor the management of the Civic Centre will not be responsible for any lost or stolen equipment.

The camp offers a limited amount of time for other recreational activities such as swimming. Public swimming times will be advertised at the Civic Centre during the week.

So once again, it's the last call for the 1970 Summer Hockey Camp. Registration is open until starting time next Tuesday, August 25th at 8:30 a.m. Register now and be aboard when things start moving in a week's time.

Summer '70 Enjoys Program Success

Summer '70, the summer recreation program offered to communities by Parkland Regional Recreation, has completed one month of programs and has started into its second month.

On July 23rd Summer '70 visited Duffield. Children participated in the afternoon program of activity. A wiener roast, held in the evening, was followed by a penny carnival put on by the children.

The next stop for Summer '70 was Rocky Rapids on July 24th. The afternoon program was attended by children. After a wiener roast in the evening adults enjoyed a puppet show put on by the children. The evening was concluded with archery for the adults and games and relays for the children.

The last week of the July program July 27th to 30th, Summer '70 visited Entwistle, Cynthia, Tomahawk and Easyford respectively. Children enjoyed the afternoon programs of organized activity. A community supper was held in each area after which the children put on puppet shows for the adults. Sing-songs brought the evening to a close.

On August 4th, Summer '70 started out on it's second and final round of visits for the summer. Stony Plain was the first stop. There children came out to participate in an afternoon of games, arts and crafts, drama and singing.

On August 5th it was off to Mooncrest Park. Throughout the afternoon children planned an evening of entertainment for the adults. This entertainment consisted of mini olympics organized by the teens and a puppet show done by the younger children.

Clymont was next for Summer '70 on August 6th. After the afternoon activities for children a community supper was held. This was followed by a puppet show done by the children and a singsong.

On August 8th, Summer '70 visited Blueberry. The afternoon activities were brought to a close by a weiner roast for the children.

On August 10th, 11th and 12th Summer '70 was in the communities of Fallis, Cynthia and Seba Beach. The children attending the afternoon programs participated in games, arts and crafts and singing. They also organized penny carnivals for the adults evening entertainment.

Summer '70 will be in Spruce Grove August 19th, Carvel August 20th, Entwistle August 24th, Rocky Rapids August 25th, Tomahawk August 26th and Easyford August 27th. Each community is responsible for advertising the program in their area. Watch for further details about Summer '70 in your community.

MAGNOLIA NEWS

The Community wishes to extend sincere sympathy to the Anderson families on the passing of Allan Anderson on August 8th. A large group attended a graveside service in the Magnolia cemetery on August 11th.

Mr. and Mrs. Joe Dexter arrived by car to spend a vacation in this area, in Edmonton and at Fort Smith. They will be visiting Mrs. Dexter's relations before returning home to Ontario.

Mr. and Mrs. Roy Strangway had the pleasure of a visit from his sister, Mrs. Murrate Smith, her husband and son, Alex, all of Watford, Ontario. They spent several days at the Strangway home and also went to view the scenery at Jasper and Banff.

Miss Julie Anderson of Stony Plain is a guest of her aunt and uncle, Allan and Brenda Walker.

Cecil and Marie June welcomed Mr. and Mrs. John Ringland of Lloydminster, Saskatchewan on August 11th. Mrs. Ringland and Marie are sisters.

Attend Elks Convention

At the 58th annual convention of the Grand Lodge, B.P.O.E. of Canada and the Supreme Lodge of the O.O.R.P., Mr. Bob Cowan of Drayton Valley was confirmed as District Deputy Exalted Ruler for Alberta District No. 13.

Also attending the convention in Vancouver July 26th to 29th, were O.O.R.P. representatives Mrs. B. Simons, Mrs. P. Jenkins and Mrs. L. Mayhew.

Arthur Lenz, Exalted Ruler of the Gainford Lodge also attendance, as did Boris Walaschuk and Wayne Lenz, both of Gainford.

Over 2,000 delegates attended from across the nation. Elks now have 345 lodges with a total membership of 39,742 and the Royal Purple has 306 lodges comprising a membership of 17,264 ladies.

Lodgepole Man Killed in Accident

Carl Leonard Rehn, 20, of Lodgepole was killed Sunday on the Alaska Highway, 34 miles north of Dawson Creek, when the truck he was driving missed a turn on a detour.

The truck, with a load of drilling equipment, weighed 49,200 pounds, police said. The vehicle came to rest 110 feet from the highway.

LETTERS TO THE EDITOR

Editor,
The Western Review

Dear Sir:

I represent a group of concemed mothers from this area. We agree that the water in the wading pool should be purified, but we do not agree with the method being used. Large capsules of chlorine are dropped into the pool as it fills in the afternoon. These are about the same size as peppermints, and our children have picked up "handfuls" and brought them to us. I have learned that a two-year-old boy had swallowed one or more and had his stomach pumped as a result. I am aware that chlorine is deadly, even in small amounts.

Before an innocent child suffers needless kidney damage or perhaps even death, I hope this letter will come to the attention of the proper authorities.

Yours truly,
Concemed.

Editor
The Western Review

Dear Sir:

The summer skating school staff would like to thank the young people who organized the successful Rock Festival held recently, also the band, Tomorrow's Past, for donating their time and music to the event, Father Lynch for his support, and the R.C.M.P. for patrolling.

Not only were the proceeds from the evening turned over to the skating school but the out-of-town skaters attending the school were treated to a social evening with our own young people.

It is unfortunate that some of our residents were disturbed by the music and accompanying noises which drifted their way. Perhaps a different outdoor location could have been obtained away from the residential area. However, a fenced-in area seemed to suit the requirements of our young organizers and a well controlled crowd of young people enjoyed their kind of entertainment.

As parents we like to have our young people around us and would rather have them enjoying themselv es on our front lawns than in some out-of-the-way place.

Summer Skating School Staff
Gwen Simpson,
Doris E. Reid.

MAIN STREET

If you can recall when kids collected cigar bands, you have a mighty good memory for such an old rooster.

BASEBALL WRAP-UP

The following are the teams that finished in first place in the various leagues: 6 - 9 years mixed, Wabamun; 12 & under girls, (Eastern Division) Stony Plain, HiWay 16 Division Wabamun; 14 & under girls,(Eastern Division) Stony Plain, (Western Division) Fallis; 16 & under girls, (Western Division) Fallis, (HiWay 16 Division) Duffield; ladies fastball, (Eastern Div.) Stony Plain "B", (Western Div.) Tomahawk; Mite baseball, (Eastern Div.) Stony Plain, (Western Div.) Wabamun; Little Canadian baseball, (Eastern Div.) Stony Plain 2, (HiWay 16 Div.) Darwell, (Western Div.) Tomahawk; Bantam baseball, (Eastern Div.) Stony Plain 1, (HiWay 16 Div.) Darwell, (Western Div.) Drayton Valley; Midget baseball, Wabamun.

Division Champions have been decided in the following categories: 6 - 9 Mixed, Wabamun; 12 & under girls, (HiWay 16 Div.) Wabamun, (Eastern Div.) Stony Plain; 14 & under, girls, (Eastern Div.) Spruce Grove, (Western Div.) Fallis; 16 & under girls, (Western Div.) Fallis, (HiWay 16Div.) Duffield; Ladies Fastball, (Western Div.) Tomahawk, (Eastern Div.) Stony Plain "A".

Parkland Regional Champions are: 6 to 9 years Mixed, Wabamun; 14 & under girls, Fallis, by defeating Spruce Grove; 16 & under girls, Duffield , by defeating Fallis.

PROVINCIAL PLAYOFFS
(Little Canadian)

Parkland Region entered teams in the Little Canadian Dominion Championships and all teams lost out, but not without a fight. The Western Division Allstars team lost out in straight games in a tournament held in Warburg. However, the coaches say the boys played well and gained a lot of experience. The HiWay 16 and Eastern Division teams played in St. Albert and our Eastern Division team reached the finals and lost out to Edmonton, 4-2 in a final game.

(Bantam)

We also had three teams in the Bantam playoffs and we were represented by Darwell of the HiWay 16 Division, Stony Plain 1 of the Eastern Division, and Drayton Valley of the Western Division. All three teams went down swinging. Congratulations to the people who participated and kept the Parkland Region in the forefront.

Editorial — Comment

Congratulations Timmy Town

We were pleased to learn last week of the selection of Timmy Town of the Moon Lake area as one of this year's Junior Citizens in the program conducted annually by Calgary Power Ltd. The Western Review is happy to have played a small part in Timmy's selection as we were in the selection of three other area youngsters during the past five years.

Our congratulations: first to Timmy for his courage during the fire last winter that earned him the award, and to Mr. Hubert Forecast of Entwistle who was responsible for Timmy's nomination. And we trust we can convey the appreciation of the area's award winners and their families to Calgary Power for a unique undertaking that cites the outstanding feats of young Albertans which might not otherwise be recognized in the busy rush of day to day life.

Country Has Had Enough; Get the Strike Settled

Alberta communities north of Red Deer were greeted by another post office shutdown Monday morning and the ensuing disruption of business.

Unfortunately, the rotating strikes appear to be doing little to enhance the postal workers bargaining position, and are becoming annoying to many people whose sentiments were originally with the workers' cause. A good many people believe their desire for salary increases to bring them more in line is not unreasonable and that posties should have been enjoying increased pay cheques along with the rest of the work force during recent years of high prosperity levels. Before adopting a militant attitude the postal workers' requests for pay increases invariably brought them considerably less than what they felt was fair and just.

However, their supporters outside their own association, and for that matter the whole country, would have been better off had they undertaken a true strike and shut everything down completely while a reasonable contract was negotiated. Such action would have shaken the country and the postal workers would have either received their raise or termination notices. But it would have been done and finished with weeks ago with less hardship to the rank and file Canadians who really have no objection to postal workers receiving reasonable pay increases.

It begins to appear that the government has been pushed to the point where some drastic action is inevitable. It won't be surprising if legislation is forthcoming that eliminates the possibility of further disruptions to the nation's economy such as we have seen this summer.

BUCK LAKE NEWS

Bill, Jackie and Jimmy Price have returned home again, but I did not have the opportunity to see the pet monkey I had heard about.

Dewey and Ruby Woods spent a few days in Jasper recently. Ruby's sister from Surrey, B.C. met them there.

Ken and Alice Odegaard motored to Red Deer during fair time there, but arrived too late for it. They stayed overnight at her parents, the Bill Welsfords, and brought Cherie and Rodney home. Vernon spent a week there and his grandparents came to Buck Lake and brought him home last weekend. Elaine is spending his holiday there now.

Mariam McLeod (nee Latham) of Drayton Valley lost her grand mother, Mrs. Latham of Delburne who was 84 years of age. The funeral was held July 28th. Mariam, Bob and boys went down and stayed there for a few days. Bob had the misfortune to crack some ribs, so was taking a few days off work.

Fred Drader went to Edmonton July 29th to pick up Ede's wagon which was left there from the Edmonton parade. Ede also entered her goats in the Wetaskiwin Fair parade on August 6th and she and Lyle McLeod took them through the parade.

Mr. Leon Brzus received a phone call from Gary, Indiana, informing him of the passing of a sister there. Much sympathy of the district is extended.

Nick and Edna Wasyk put up hay for Wilf Prefontaine and Rudy Brzus hauled and stacked it with his bale wagon. Wes Bouck and family are cutting and baling hay for Roy Parker.

Judy Mills was in Drayton Valley Hospital for six days. Hope you are feeling better now Judy.

Sherry and Collette Hammond spent a week or more at the home of their sister Mrs. Jim Wilson (nee Shiela Hammond) of Rocky Mountain House.

Weekend visitors at the Weston Boucks were Glen, Sherry and Stuart Kane, of Edmonton, who brought Kathie home from her vacation there. Also we had Norman and Jean Graham and daughter Judy and her fiance all of Calgary.

Mrs. Agnes Micky, who has been staying with her daughter Margaret in Drayton Valley for the past several months, has now travelled to Lethbridge with friends to visit her daughter and family and other relatives there. She will return to attend a wedding in Warburg on August 22nd.

Dr. and Mrs. Edmond Todd and Zeta, Mr. and Mrs. Frank Todd (Ede Drader's sister) were out from Edmonton to visit Ede and Fred.

Congratulations to Judy and Wilf Holliday (nee Goltz) on the arrival of a baby boy July 28th.

Guests of Al Prevost were his daughter Cecile and Amil Vahm and family of Leduc.

A shower was held Friday, August 7th at the Buck Lake Rec. Centre for Marilyn Watson and Marvin Tonhauser. Hostesses for the shower were Mickey Parker and Dixie Gilbertson. They are to be married August 21st.

Buck Lake ladies soft ball team played Alder Flats Monday night and lost by 2 points. They were also beaten by Lakedell Wednesday night.

A meeting was held at the recreation centre on August 6th. Business was regarding the setting up of a recreation board and the hiring of a recreation director for the County. Councillor Alex Danyluk was present, and a fair crowd from Alder Flats, Buck Lake and Winfield.

Sorry to hear that Mrs. Alice McLean is in Drayton Valley Hospital. Hope you'll be better soon Mrs. McLean.

Ernest and June Kramer and family of Grimshaw are spending holidays at Buck Lake with friends and family.

Mary Wennerstrom is presently at High River with her parents. Sorry to hear that your mother is ill, Mary and hope she will be much better very soon.

Visiting at the Norman Inglis home recently were Jim and Rita Inglis of Nakuft, B.C., their daughter Pat Roberts and family of Terrace B.C., Bob and Donna Bakaas and Roger Bakaas and his girl friend of Ponoka.

Wally Glenn's parents, Mr. and Mrs. Darrel Glenn, of Lacombe were guests of George McLeod.

Belated birthday greetings to Linda Goltz on the 7th and Larry Prefontaine on the 11th.

Jackie and Joe Smeltzer and Cheryl, Bev and Brenda Stewart all of Edmonton were at Larry and Pricilla Stewarts on the weekend.

Mr. and Mrs. Marshall of Edmonton are spending some time at their cottage at Buck Lake.

Don and Joyce Belcourt and family, of Morley, were at the home of her parents, Stan and Irene Krysta for the weekend.

Brad and Dallas McLeod of Drayton Valley are spending a few days with grandma and grandpa McLeod, George and Barb.

Sundance Club Meets

The regular meeting of the Sundance 4-H Garden Club was held on Monday, August 10th in the Sundance Hall. Roll call was answered by "Something I Learned from 4-H".

A discussion took place regarding the trail ride which has been postponed until September. The club's visit to the Hutterite Community was tabled for further discussion at the next meeting.

Slides on relish trays and salad plates were shown. Mrs. Charlet then assigned each member a number for achievement day and Mrs. Bentley read a paper on achievement day written by Terry who was attending a 4-H conservation camp at James River.

Members who have questions reguarding achievement day should contact leader and assistant leaders as follows: 2nd year members, Mrs. Charlet; 1st year members, Mrs. Bentley; and Pee Wee members, Mrs. Wiltse.

Members will be informed later of the date of the next meeting.

Former Wildwood Man Wins A.S.R.T. Fellowship

Mr. James Ohnysty

On June 21st at the 42nd Annual Meeting of The American Society of Radiologic Technologists held at the Fontainebleu Hotel, Miami, Florida, James Ohnysty, R.T. (ARRT) (CSRT) was honored with a Fellowship in this Society.

Mr. Ohnysty received his preliminary education in Holly Springs, Wildwood and Evansburg, and is a 1953 graduate of Evansburg High School.

Mr. Ohnysty received his basic tecnhical education at the Edmonton General Hospital in 1954 to 56 under the direction of Sister Marie LaForce and Rupert M. Clare, M.D. and has retained an active membership in The Canadian Society of Radiological Technicians.

The "Fellow" membership category in The A.S.R.T. is the highest recognition given to a radiologic technologist in the USA. Candidates must be sponsored by a Fellow and receive the supporting vote of the entire Fellow membership. Eligibility is determined by total contribution in actual practice, education and administration; with supporting references as to competence and moral qualifications by his employers and a cross section of his peers.

Since 1923, there have been only 45 technologists to receive this honor and recognition. Mr. Ohnysty's thesis for qualification was his internationally recognized book "Aids To Ethics and Professional Conduct for Student Radiologic Technologists" (2nd Ed.).

In October 1969, Mr. Ohnysty accepted the directorship of the new Radiologic Techology Program, Greenville TEC, Greenville, South Carolina. The Associate Science Degree Program is serving as a pilot program in the country and a full Baccalaureate Program will be introduced in the next few months. He is currently directing technical research under three grants awarded to his school for the advancement of radiologic techology.

Mr. Ohnysty and his family were visitors this summer at the home of his parents, Mr. and Mrs. John Ohnysty and his brother John in Wildwood, Alberta.

Summary Regular Meeting
Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, August 4th.

Present were Messrs. R.A. Bailey, George Mann, R. Zander, Peter Bakker, R. Lent, Ivan Vowk Vowk, Don Gylander, J.W. Tyler, Mrs. E. Howery, Mrs. A.C. Kritzinger, School Committee Members, also Superintendent of Schools, Mr. M. Holman, and Assistant Secretary-Treasurer, A.W. Boychuk.

DRAYTON VALLEY SCHOOL PROPOSAL

Mr. N.J. Gardner, Architect for the proposed High School in Drayton Valley came to see the School Committee and submitted the following estimate and proposal.

July 29, 1970
Proposed New High School
Drayton Valley, Alberta

For the County of Parkland #31

A. Suggested Accommodation

8 - Standard classrooms @ 750 sq. ft. each 6000; 2 - special classrooms @ 850 sq. ft. each 1700; 1 - classroom (future lang lab beside library) 900; 3 - science classrooms @ 1000 sq. ft. each 3000; 2 - science prep. areas 600; 1 - ancillary classroom (stage) 1000; 1 - ancillary classroom (adjacent to library) 1000; 1 - ancillary classroom (future science classroom) 1000; 1 - library 1800; 1 - gymnasium 5040; 1 - gym storage room 200; 1 - infirmary 275; 1 - counselling office 120; 1 - home economics multi-purpose lab 1400; 1 - industrial arts area (single lab) 3200. Total 27,235.

65% of net functional area = 27,235 sq. ft. 100% of net functional area = 41,900 sq. ft. Add 8% for walls and partitions = 3,352 sq. ft. Total gross area 45,252 sq. ft.

B. Revenue

Foundation program, as per letter $678,000.

Foundation program - special equipment: Science - 3000 sq. ft. @ $1.50 = $4,500; Library - 1800 sq. ft. @ 2.00 = $3,600; Home Ec. - 1400 sq. ft. @ $2 = $2,800; Ind. Arts - 3200 sq/ ft. @ $4.00 = $12,800. Revenue: County of Parkland $23,700; Town of Drayton Valley $50,000; Federal Sales Tax Refund, estimated $20,000. Total Revenue $821,700.

C. Budget, Based on Total Revenue.

Construction cost - 45,252 sq. ft. @ $14.86 per sq. ft. $672,-640; Land cost $25,000; Landscaping cost $20,000; Architects' & Engineers' fees @ 6% $40,360; Furniture and equipment $40,000; Special equipment $23,700. Total $821,700.

It was moved and carried that Mr. J.W. Tyler, Mr. Ivan Vowk and another representative from the Town of Drayton Valley be delegated to work with the Architect and Superintendent of Schools on sketch plans for the proposed High School building in Drayton Valley.

A letter was received from the Principal of the Tomahawk School advising that the conditions at the school are still not too satisfactory.

It was moved and carried that the matter of the Tomahawk caretaking be referred to the Maintenance Supervisor for investigation and immediate action.

INNOVATIVE PROJECT

The following letter regarding the proposed Innovative Project in Seba Beach and Drayton Valley was received from Dr. T.C. Byrne:

Your letter of June 23, 1970 with the attached proposals for an Innovative Project addressed to Mr. R.C. Clark, Minister of Education has been referred to me for consideration and reply.

As you may know, we are now in the process of establishing a committee which will review proposals under the Innovative Projects Program. It is our hope that this committee will be at work within the next two or three weeks. Your proposal will receive scrutiny from this committee at this time.

Actually, while you have indicated that you are submitting this on behalf of the County of Parkland we would like a communication directly from the Chairman or Secretary of that Board, indicating the readiness of the County to support this project financially. The Government is contributing only a share of the support to local projects of this nature. I presume that your County is willing to carry half the costs of the projects, but we would need some assurance that this is so.

It was moved and carried that the matter of the Innovative Project for Seba Beach and Drayton Valley be tabled pending further information.

It was moved and carried that the arrangements as outlined by the President of the A.T.A. Local be accepted and that the committee be requested to proceed with the re-writing of the Policy Handbook.

SUPERINTENDENT'S REPORT

Mr. M. Holman presented the following report to the School Committee:-

1. Administration

Staff Appointment

Miss Wendy Ellefsen, Grade 1, Wabamun; Mr. L. Cryderman, Sr. H.S., Stony Plain; Mr. T. Mitchell, Sr. H.S., Drayton Valley; Mr. R.M. Smeland, Jr. H.S., Drayton Valley; Miss Nancy Martin, Grade 4, Entwistle; Miss Barbara J. Nyren, Grades 5 & 6, Tomahawk; Mrs. Kathryn Wihman, Grade 1, Stony Plain; Miss Karen Bolstler, Grade 4, Drayton Valley; Miss April Hari, Sr. H.S., Stony Plain.

2. Junior High School Services for Keephills

Mr. W. Clark and Mrs. B. Wagner have agreed to the transfer

(Cont. on Page 8)

KEEPHILLS NEWS

A good crowd attended a bridal shower at the Keephills Hall on August 10th for Laverne Wagner who will be married this week. Laverne received many lovely gifts from old friends and relatives. Laverne was born in this area and attended Keephills School.

August 7th brought disaster to many of the farmers when hail pounded some fields into 100% destruction. Some are putting it in to silage while the stalks are green.

Mrs. Roy Schwietzer left last week with her son Arnold and his two boys to go back to B.C. where she will be visiting her sister.

Mavis Engler and family from Calgary spent several days here with her parents Mr. and Mrs. Schwietzer.

Doug and Linda Walker returned to Calgary. After spending two weeks with the Clarks at Highvale, Doug and Wayne Clark went mountain climbing at Jasper while the women looked after things at home.

Maureen Coats fell from her bike recently and was knocked out for a while. She spent the night in the hospital.

Donna Porter and Kathy Cole returned safely from a very enjoyable trip to the U.S.A. in an exchange sponsored by the 4-H.

Thelma Porter enjoyed a recent holiday in Vancouver.

The Lindsay Porters had their family home for a few days from their homes in Leduc. Edmonton, Red Deer and Blairmore, as well as relatives from B.C.

Aromatic eye-opener!

One of life's simple joys! Sizzling rashers of bacon to start your day with a smile! You probably don't think too much about what goes on behind the bacon on your plate: about selective breeding of hogs; the care — and cost — of feeding, transportation, marketing, processing and distribution. But "bringing home the bacon" is a lengthy and complex business. So is bringing home to you another of life's everyday benefits — electricity. Harnessing this "natural" energy for your home involves specialized skills, equipment, labor, research and development.

While the overall cost of living has risen dramatically the price of electricity is still one of today's best bargains. Did you realize that the power used on a farm is, on average, less than one per cent of the total operating costs? That's something to think about when you consider inflation — or enjoy the tantalizing aroma of bacon frying!

Regular Meeting School Committee

(Cont. from Page 7)

of their children to Duffield School. Two of the Junior High School students will attend the opportunity room in Stony Plain. Have not been able to discuss this proposal with the remaining two families, however, letters were written to them advising them of the proposed change.

Recommendation - That all of the grade 7, 8 and 9 students from the Keephills district be transported to Duffield School and that a separate school bus be provided.

3. Seba Beach - Lockers

Anticipated enrolment 9-12, 205; Anticipated enrolment 7 & 8, 70. Total 275. Lockers in school 100.

Recommendation - If provision is made in the budget - it is recommended that one hundred half lockers be purchased for Seba Beach.

It was moved and carried that the following staff appointments be approved: Miss Wendy Ellefsen, Grade 1, Wabamun; Mr. L. Cryderman, Sr. H.S., Stony Plain; Mr. T. Mitchell, Sr. H.S., Drayton Valley; Mr. R.N. Smeland, Jr. H.S., Drayton Valley; Miss Nancy Martin, Grade 4, Entwistle; Miss Barbara J. Nyren, Grades 5 & 6, Tomahawk; Mrs. Kathryn Wihman, Grade 1, Stony Plain: Miss Karen Bolstler, Grade 4, Drayton Valley; Mrs. April Hari, Sr. H.S., Stony Plain. Carried.

It was moved and carried that Mr. M. Holman's recommendation be accepted and that the Keephills Grades 7, 8 and 9 be bused to the Duffield School by a separate school bus.

It was moved and carried that the School Bus Committee be delegated to arrange for transporting the Keephills grades 7, 8 and 9 to the Duffield School.

It was moved and carried that the recommendation of the Superintendent of Schools to purchase 100 half lockers for the Seba Beach School be accepted.

It was moved and carried that the Superintendent's report be accepted.

APPLICATIONS
SCHOOL BUS ROUTE

It was moved and carried that Mr. R. Zander and the School Bus Committee be authorized to review the applications for the Ken Hoople school bus route No. 603 and submit a recommendation.

It was moved and carried that Mr. Phillip Schuttler be engaged as caretaker of the new Spruce Grove School at a salary of $4,350 per year with duties to commence August 1, 1970.

It was moved and carried that Mrs. Darlene White's resignation as Teacher Aide at the Winterburn School effective August 31, 1970 be accepted.

The meeting re-assembled after lunch at 1:15 p.m. with everybody present except Mr. L.N. Miller and Mr. W.G. Wilson.

It was moved and carried that Mrs. Barbara Daum's budget for the Stony Plain Music Program be tabled pending further information

It was moved and carried that Mr. M. Holman, Mrs. A.C. Kritzinger, Mr. Peter Bakker and Mr. E.W. Hillyer be authorized to inspect the portable buildings quoted on and to purchase the most suitable one.

It was moved and carried that Mr. E.W. Hillyer be requested to obtain more information on the water supply in Winterburn and submit a recommendation.

It was moved and carried that the water lines at the old Seba Beach School be removed and that the water from the present well be used.

It was moved and carried that Mr. E.W. Hillyer be authorized to negotiate with Mr. J.A. Orleux for the purchase of the curtain rods in his teacherage and that the chrome shelf be purchased for $15.

It was moved and carried that the Maintenance Supervisor's report be accepted.

A school bus operator, who is now 68 years of age, came to request permission to drive his school bus next year. According to School Committee policy and also his contract, he should not be driving next year. Failing approval to drive full time, he would like permission to drive as a spare driver.

It was moved and carried that his request be not granted and that the School Committee adhere to previous policy.

It was moved and carried that the teacher's August cheques be not released before August 25th.

APPLICATIONS
BUS ROUTE

The following Committee Report was received on the applications for the Ken Hoople school bus route:

Applications received

Mr. L.D. Tufty, Entwistle; Mr. Robert L. Rolfe, Sangudo; Mr. Thomas Bijou, Lindale; Mr. H.R. Mills, Sangudo; Mr. Donald F. Cherrington, Moon Lake.

The Committee recommends that the route be awarded to Mr. L.D. Tufty.

It was moved and carried that the recommendation of the Committee be accepted and that the Ken Hoople bus route be awarded to Mr. L.D. Tufty on the condition that he submits an abstract of his driving record and that the driving record is good.

PROPOSED SCHOOL SITE
STONY PLAIN

Mr. R. Lent reported that if the School in Stony Plain was build on the site immediately south of the present schools the following extra costs would be involved:

(a) A sewer line from main street to the new school site approximately $17,500.
(b) Because of the overloading of the main sewerline an additional 10 inch line would be required at an approximate cost of $11,000 to $15,000.

It was moved and carried that Resolution No. 511 of the July 21st meeting be rescinded.

Mr. Peter Bakker left the meeting at this time.

NEW COMMITTEE

It was moved and carried that a Committee of 4 be appointed to carry out a study and submit a recommendation for a school site for the Junior High School in Stony Plain. Mr. G. Mann was nominated by Mr. R. Lent, Mr. Don Gylander was nominated by Mrs. A.C. Kritzinger, Mr. R. Zander was nominated by Mr. G. Mann and Mr. J.W. Tyler was nominated by Mr. Ivan Vowk.

The above 4 members were declared elected as the new Committee to choose a school site in Stony Plain and present a recommendation.

CAFETERIA REPORT

Mrs. A.C. Kritzinger presented the following report on the Stony Plain High School Cafeteria: Year-end Summary: January Statement, loss of $85.70; February Statement, loss of $99.38; March Statement, loss of $97.45; April Statement, loss of $60.11.

During the month of April a break-in occurred in the cafeteria making an additional loss of approximately $20. May Statement, loss of $237.41. The large difference in the loss between April and May occured because of one weeks wages were withheld in April and paid in May. June Statement, loss of $162.88. A total loss of $742.83 was recorded from January 1970 to June 1970. Inventory on hand from the 1970 season amounted to approximately $65.00.

It was moved and carried that the foregoing report on the Memorial High School cafeteria be accepted for information and that a similar report be submitted by January 1, 1971.

It was moved and carried that Mrs. A.C. Kritzinger be authorized to arrange for the operation of the cafeteria for the coming year.

SPRUCE GROVE
SCHOOL SITE

Mr. M.M. Bradley, Public Works Manager, presented the following estimate on the paving of the Spruce Grove School site: 1. Excavate sub-grade to 1 foot below curb level $2,700; 2. To excavate and recompact sub-grade $900; 3. To purchase, haul, place and compact 4 in. of base gravel $5,000; 4. To purchase, haul, place and compact 2 inches of 3/4 inch crushed gravel $2,900; 5. To install approximately 400 ft. of concrete box sub-grade drain $1200; 6. Concrete box drain cover (steel galvanized grating) $500; 7. First course paving 2 inch in depth $9,600; 8. Survey and Supervision $750. Total $24,000.

It was moved and carried that the Public Works Department be requested to carry out the work outlined in the foregoing estimate except item number 7.

Ten Suspensions Since Start Program

Hon. Gordon E. Taylor, Alberta Minister of Highways and Transport, has reported that during the month of July, seven drivers were suspended under the demerit system, each having obtained 15 or more demerit points with two suspensions in June and one in May. This brings the number of suspensions under the demerit plan to 10 as at July 31.

W.I. GIRLS AND THEIR SUPERVISORS WHO ATTENDED CLUB WEEK AT OLDS THIS SUMMER.

Second Section

THE WESTERN REVIEW

Drayton Valley, Alberta
August 19, 1970

D. V. Highlights

By Mrs. Edith Deby

Dr. Waugh was able to come home from hospital this week. Best wishes for an early and complete recovery Dr. Waugh.

Mrs. Jean Ankerstein, of Thorsby, District Manager for Artex Roll-On Embroidery Paint will be on hand at the Women's Institute Flower Show to give a demonstration and answer questions. The Flower Show is to be held in the Elks Hall on Saturday, August 29th and will be open to the public from 2:30 to 4:30 p.m.

Mr. and Mrs. Walter Durham take pleasure in announcing the forth-coming marriage of their granddaughter, Crystal, to Mr. Kenneth Wahl, youngest son of Mr. and Mrs. Karl Wahl of Medicine Hat on October 10th in Drayton Valley.

The 4-H Beef Club has had a most successful year under the leadership of Mr. Kenneth MacKenzie and Mrs. Romeo Guyon. One of the major projects was a course in public speaking. Members have made most gratifying progress in this facet of the work. During the summer club members have participated in several enrichment courses. Robert Rasmusson has just returned from 4-H Conservation Camp where he took the Jr. Warden's Course. Valerie Guyon earned a two week tour of Wisconsin. Dale Guze is to attend a Youth Development Course at Camp He-Ho-Ha and Beverley Guyon, Maureen Suetter, Shirley Henkel and Lee Henkel were guests of the Edmonton Exhibition Association for one week during Klondike Days.

The 4-H Beef Club will be re-organizing during the first week in September. The plan is to form a Multi-Purpose Club under the following departments: 1. Beef, 2. Beef Breeding, 3. Sheep (4 ewes), 4. Light Horse (foal spring of 1970), 5. Clothing, 6. Food.

For such a club there is a minimum requirement of 12 members with not less than 4 members in each project undertaken. A member may undertake 2 projects in one year if he so desires.

Leaders MacKenzie and Guyon attended a leadership course and the club is aiming for the provincial finals in 1971. Good luck.

Miss Pauline Comeau was honored at a miscellaneous shower held in the Scout Hall last Thursday evening. Mrs. Otto Guse, Mrs. Jack McLean and Mrs. Earl Rasmusson were hostesses for the occasion. Miss Comeau will become the bride of Mr. Edwin Eriksson on August 22nd at St. Anthony's Roman Catholic Church.

Even a fish would not get caught if he kept his mouth shut.

LIBRARY NEWS

Heading this week's list of new books is "Love Story" by Erich Segal. This book, at the top of the best seller list last week, is the story of a young couple who marry in spite of the husband's family and struggle with financial worries until he has graduated as a lawyer. It is a book to be remembered.

Attention all Historical Novel Buffs: "The Purple Sash" by A. Nunex Alonso is a translation from Spanish literature. Benasur, is the hero. He is a brilliant first-century financial tycoon who wheels and deals his way across the Roman Empire.

Elizabeth Cadell's latest, "The Past Tense of Love" has arrived. It is the story of the Mostyn Family. Except for Madeline the last generation of Mostyns was quite an ordinary family but she had produced two daughters and hereby hangs a tale.

Judging by the picture on the cover it would appear that "Alfie" by Bill Naughton was not written for the conservative reader.

"In This House of Brede" is Rumer Godden's latest book. It is the story of fourteen years in an enclosed house of nuns.

Yet another Delderfield "The Spring Madness of Mr. Sermon" has been added to our collection.

W.I. Girls Enjoy Olds Club Week

Young girls from across the province met at the Olds Agricultural and Vocational College from July 6th to 9th for the annual convention of W.I. Girls.

Approximately 100 girls and their supervisors were in attendance representing 19 clubs. Present from this area were Mrs. Mary Hemmingway, Supervisor of the Drayton Valley "Hummingbirds" and four club members. Mary Swanlund, Avalie Peck, Kathy Bowen and Paula Pankewicz.

The girls were divided into classes each day and received instructions in handicrafts, horticulture and first aid.

Among award winners were Kathy Bowen of Drayton Valley, junior art, and Marie Swanlund, junior poetry, who also won the overall award for the three categories of junior, intermediate and senior.

Among supervisors honored with scrolls for four or more years service, was Mrs. Olga Brown of the Drayton Valley group.

Highlight of the convention was a fashion show and formal tea. For the fashion show each of the girls modelled something she had made in the club.

The slogan "We are all Albertans. Inform and be informed" was illustrated by each club presenting a skit and giving a report on its town and district, its location, industries, landmarks and historical origin. These proved most interesting and informative.

Library Hours

On September 1st the library goes back on regular schedule. This is: Tuesday - 12 to 1 for bus children, 3 to 5 and 7 to 9 p.m.; Friday - 3 to 5 and 7 to 9 p.m. at the Drayton Valley Municipal Library.

BOOZER-CRUISERS CAUSE MOST TROUBLE ON ROAD

The social drinker, says Ed Belitsky, editor of Canadian Automotive Trade, isn't the one who causes problems on the highways. "It's the hard-core, dedicated drunk," he says. CAT recently reported a study of 1,000 drunken driving convictions which showed that 25 per cent had a previous criminal record, 37.5 per cent had a record of previous arrests for public drunkenness, and 25 per cent were driving while their license was suspended or who didn't even have a license.

An ounce of determination is worth far more than a ton of procrastination.

World Hail Damage Over Billion Dollars Yearly

Hailstorms cause more than a billion dollars worth of crop and property damage around the world every year, sometimes kill animals, and on rare occasions injure or even kill people.

Hail damage in the United States is estimated at about $300 million per year. The past records of the Alberta Hail Insurance Board show that over the last ten years an average of nearly $1 million per year is paid out in claim settlements for crop damage. Because of the small percentage of farmers that insure their crops, the real loss is many times this figure. When property damage is added to this figure, the total loss to the economy of Alberta probably runs between $20 and $30 million annually.

Besides crops, property is sometimes badly damaged, particularly when large hail is accompanied by strong winds. Twenty carloads of glass were required to repair all the broken windows after a severe 1948 storm in Denver, Colorado. Holes are sometimes punched in roofs; and after the severe storm in Edmonton, on August 4th, 1969 several thousand homes and cars required repairs.

Only one human death in North America has been officially attributed to hail, and this occurred in 1930 when a Texas farmer was caught out in a field far from shelter. In India 230 people were killed by a storm east of Delhi, and 22 people were killed by a storm in the Transvaal, South Africa. As far as is known, nobody has been fatally injured by hail in Canada.

Big hail stories are sometimes as hard to substantiate as big fish stories. The largest officially documented stones fell in Potter, Nebraska, on July 6th, 1928. Some measured 4½ to 5½ inches in diameter. The largest was 17 inches in circumference and weighed 1½ lbs. The largest stone collected by the Alberta Hail Studies Project was 3½ inches across and weighed ½ lb.

Hailstorms are huge atmospheric heat engines and develop colossal amounts of energy. From radar observations, aircraft measurements, and the farmers' hail and rain reports at the ground, some interesting figures emerge for the typical severe Alberta hailstorm.

Updrafts just below the cloud base range between 20 and 40 mph and reach a peak in excess of 100 mph high up in the storm. Air enters the base of the storm at the rate of 20 million tons per minute, carrying with it water in the form of vapor at the rate of 1/3 million tons per minute.

The energy produced by the condensation of this water during a typical three hour storm duration is over 100 million kilowatt hours, equivalent to many times the energy production of the world's most powerful electricity generating stations. The typical storm has a precipitation efficiency of about 50%, meaning that about half the water vapor entering the storm eventually comes out as rain or hail.

One severe storm can produce hail at a rate of between one and four million tons per hour. On July 28th, 1969, several severe storms swept across central Alberta depositing an estimated thirty million tons of ice on the farmlands.

In view of the tremendous economic losses due to hail, it is not surprising that there are several projects similar to the Alberta Hail Studies investigating storms in many parts of the world. All are designed to find out as much as possible about the causes and behavior of hailstorms, and develop techniques to reduce their severity, and alleviate the resultant damage.

Summary Regular Meeting Of Parkland Council

Minutes of regular meeting of the Council of the County of Parkland No. 31 held in the County Office at Stony Plain, Alberta on Monday, August 10.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, Roy Lent, George Mann, Ivan Vowk and Robert A. Bailey.

Mr. Garry Webber of Spruce Grove was present at the meeting and requested an additional $150 on behalf of the Edmonton Region 4-H Council to help defray the cost of transportation for regional 4-H members attending at a tour in Wisconsin.

It was agreed that the requested $150 be paid in addition to a previous $100.

AMBULANCE SERVICE FOR THE COUNTY

Committee doing a feasibility study.

A proposal was submitted by Richard's Ambulance of Wildwood to provide ambulance service in the west end of the County.

Considerable discussion was entered into with respect to all the proposals received. Various arrangements were considered but no specific action was taken at this time.

Request for installation of two street lights in Coal Point subdivision was received from Mr. R. A. Williams of Edmonton. Councillor Mann reported having interviewed the applicant and the request has been changed to one light only. It was agreed that one light be installed as requested.

INSPECTOR'S REPORT

Municipal Inspector's Report of inspection made on July 8th and 9th, 1970 was presented to the Council. The report was accepted for information and ordered filed for presentation at the next annual meeting of ratepayers.

BY-LAW NO. 19-70

A by-law authorizing the Assessor to use the assessed values of taxable lands and improvements for 1970 as the assessed values of lands and improvements for taxation purposes in 1971 received first reading on motion of Councillor Vowk, second reading on motion of Councillor Zander, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

It was agreed that Miscellaneous Lease No. 1388M.L. covering 0.99 acre in the SE 36-47-10-5, on which the teacherages at Lodgepole are situated, be renewed for a further 10 year period at the nominal rental rate of $10.

Offer to purchase lots 6, 7, & 8, Block 6, Plan 2443A.E., Entwistle for the sum of $275 was received from Mr. Richard Tamke of Entwistle. It was agreed that these lots be not sold at this time.

Complaint regarding the condition of the road from Seba Corner to Lake Isle was received from Mr. W.L. Lindberg of Edmonton. Councillor Mann reported having instructed the Public Works maintenance crews to look into this matter and perform the required maintenance to this road. Report accepted and actions endorsed.

It was agreed that applicants for water and sewer service connections on house trailers in Wabamun be required to deposit the sum of $60 as difficulty is being experienced in collecting for these services from temporary residents.

Notice from solicitors regarding an application for annexation of the E ½ NE 20-52-25-4 to the City of Edmonton. Letter dated July 31, 1970 from Mr. W.H. Hurlburt, County Solicitor, was presented to the Council advising that he had been requested to handle an application calling for annexation of the E½ NE 20-52-25-4 to the City of Edmonton.

It was agreed that this letter be accepted for information and Mr. Hurlburt be requested to withdraw from this case and oppose the application on behalf of the County.

It was agreed that directional signs be erected at the major road intersections to the Genesee Bridge and the Department of Highways be requested to erect a sign on Highway No. 16 at Highway No. 43 for west bound traffic.

Request for renewal of lease on the road allowance east of the NE & N½ 8-53-26-4 was received from Mr. A.H. Oxley of Edmonton. It was agreed that the undeveloped portion of this road be leased to Mr. Oxley for a further period of one year.

REQUEST FOR ROAD IMPROVEMENT

Verbal request was received from a member of the local R.C.M.P. Detachment for improvements of the road on the east side of sections 5 & 8-53-25=4. This request was made to facilitate detouring of traffic from C.F.R.N. to 118th Avenue to avoid large volumes of traffic entering Highway No. 16.

It was agreed that the R.C.M.P. be advised that the traffic problem at C.F.R.N. is a problem for the Department of Highways and improving the north-south road is not the solution to the problem.

Request for approval to place a mobile home on the north 20 acres of the SE 18-53-25-4 was received from Mr. Walter Poetz of Edmonton. It was agreed to authorize Mr. Poetz to place a mobile home on this land to

Cont. on Page 12

ENTWISTLE NEWS

Mrs. Todd Sumner of Whitecourt spent a few days with her daughter Glennis and visited some of her friends.

Lynette and Rick Harrison have returned from their holiday in eastern Canada.

Allan Anderson, well known in the Entwistle and Magnolia area, passed away recently. The funeral was held in Edmonton and he was buried in the Magnolia Cemetery. Sympathy is extended to all his relatives.

Mr. and Mrs. John Oliver visited with Mr. and Mrs. Gordon Duke at their cottage at Seba Beach last weekend. Mr. Duke has known Mrs. Oliver since she was six years old and a lot of reminiscing took place.

Jack and Mrs. Read are away on a three week holiday.

On August 24th the Arts and Crafts will be in Entwistle again. Beginning at 1 p.m. for the smaller ones and the evenings for the adults and teens. It will officially close with a wiener roast. This is open to anyone and everybody free of charge, and will be similar to the July 27th Arts and Crafts. This will be held in or near the Recreational Building.

Lorraine Skare and family were at the Hanson home over the weekend.

Mr. and Mrs. Bill Wilkie and Mrs. Millie Riddell of Big Valley, Alberta have been visiting the Bancroft home. They are all cousins of Lila Bancroft.

Margaret Capastinski and family are staying with Mrs. Ethel Rhodes. Mrs. Rhodes is Margaret's mother.

Mr. Ganske, the new principal for Entwistle School, has taken residence in the teacherage. His wife and family are here with him also.

SUMMER CRAFT TRAILER

The Parkland Regional Recreation Department will sponsor a completely new program during the last two weeks in August.

A travelling Craft Trailer will visit four different areas in the Region, bringing along instructors and supplies for everyone to try their choice of crafts such as: Primitive Pottery, Weaving, Basketry, Sketching and Painting.

Adults as well as teens and children are welcome to attend this outdoor craft workshop. To enable everyone who attends to finish their projects and try new crafts, the trailer will stay in each of the four areas for two days at a time.

It will be open from 1 - 5 and 6 - 9 p.m. Choose the location which is closest to you and make up car pools from your community to visit the trailer.

A pot luck supper will be served daily at supper time. Just bring along a can of food of your choice - and a spoon.

All materials are provided free of charge. However, we would appreciate it if anyone has any left-over wool to donate it to the Recreation Department. Just give us a call at 777-2211 and we will pick it up.

Reserve a couple of days in August. The schedule is as follows. Rocky Rapids area, August 17-18, Rocky Rapids Hall; Wabamun area, August 20 - 21, Wabamun School Grounds; Stony Plain area, August 24 - 25, Stony Plain Arena; Spruce Grove area, August 27 - 28, Spruce Grove Community Centre.

Weekly Livestock Report

The Edmonton livestock report for the week ending August 15, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est).	5850	5000	850	4500	770
Last week	4907	3988	919	3085	161
Same week (1969)	6800	5785	1015	1762	445

SUMMARY

Receipts this week were about 1000 over the previous week and 1000 less than the same week last year. Offerings were mainly replacement classes of feeder cattle and stock calves. Trade was slow at lower prices for all classes of slaughter cattle. Replacement prices were also easier especially fleshy short keep feeders. Slaughter steers declined 1.00 for the week, butcher heifers 50 to 75, butcher cows 1.00 and bulls were off about 2.00. Veal and butcher calves were steady. Hogs about steady.

SLAUGHTER CATTLE & CALVES

Butcher cattle opened generally 50 lower on all classes with prices working lower under a very selective buying trade as the week closed. Choice steers were selling mostly 28 to 28.50 at the week end. Butcher heifers also opened under pressure to 50 lower but sold generally steady most of the week with some easing as the week closed. Butcher cows sold progressively lower as the week advanced with all grades closing 1.00 lower.

REPLACEMENT CATTLE & CALVES

With lower prices for slaughter classes replacement buyers were more cautious and selective in their purchases resulting in lower prices. Fleshy feeders were being discounted. Stock calf prices were generally steady early in the week but fell off 50 to 1.00 as the week closed. Good light weight steer calves were ranging up to 50, and light weight heifer calves to 42.

SHIPMENTS

Last week's shipments off the Edmonton Public Stockyards were East 240 slaughter, 67 feeders. West to B.C., 420 slaughter, Export 26. Feeders to southern Alberta areas, 650.

CLOSING QUOTATIONS
(1969 Quotations in Brackets)

SLAUGHTER CATTLE

Steers: Choice 28 to 28.50 (28.50 to 29) good 27 to 28, medium 26 to 27. Heifers: Choice 25.50 to 26.25 (26.50 to 27.25), good 25 to 25.50, medium 24 to 25. Cows: Good 19 to 20 (22.50 to 23), medium 18 to 19. Canners and cutters 16 to 18. Good bulls 24 to 25 (25 to 26).

REPLACEMENT CATTLE & CALVES

Good feeder steers (750 lbs.& under) 32 to 36 (33 to 36.50), (750 lbs. & up) 28 to 32 (28.50 to 33.50), common to medium 27 to 32. Good feeder heifers 27 to 31 (28 to 32), common to medium 24 to 27. Stock cows 18 to 24. Good stock steer calves 36 to 45 (lightweights higher (38 to 48), common to medium 31 to 35. Good stock heifer calves 31 to 38 (lightweights higher) (32 to 38), common to medium 27 to 32.

SLAUGHTER CALVES

Good to choice veal (350 lbs. & under) 40 to 45 (40 to 44). Good to choice butcher calves (350 to 450 lbs.) 30 to 40, (450 lbs. & up) 26 to 30.

HOGS

E.S.Y. butcher hogs sold about steady ranging from 26.75 to 27.25 base price. One load at 22.15 per cwt. live for export. Sows 16.90 to 17.60 per cwt. dressed. Boars 9.00 per cwt. 1050 feeder hogs sold Tuesday and Thursday afternoons ranging from 24.25 per cwt. for 90 lb. feeders down to 19.00 per cwt. for heavier kinds. Weaners and light feeders sold by the head from 10.25 for weaners to 25.00 each for 75 lb. feeders.

SHEEP & LAMBS

Good to choice butcher lambs sold at last Friday's special sale from 25.50 to 27.50. Sales during the week were mostly on a rail grade basis. Feeder lambs ranged from 23.50 to 28.00 per cwt.

ASSISTANT DEVELOPMENT CONTROL OFFICER

Written applications will be received by the undersigned up to 5:00 p.m. on Friday, September 11, 1970 for the position of Assistant Development Control Officer.

Please submit all pertinent information such as previous experience, age, marital status, salary expected, etc., in the application.

Application forms and further information may be obtained from the undersigned.

O. W. SCHUSTER, Secretary-Treasurer,
County of Parkland No. 31
Stony Plain, Alberta.

RAMONA NEWS

Ramona held its monthly bingo Tuesday, August 11th. Raffle prize winners were Rose Paré and Judy Scott. Door prize winners were Chuck Empringham and Elsie Dusterhoft and Doreen Argent. Congratulations.

Visiting Mr. and Mrs. Earl Siebels are Mr. and Mrs. Hugh Scott and family of Three Hills.

Mike Kmyta had the misfortune to cut his leg with a skill saw while building his new home. Mike wasn't kept in the hospital but it did take 30 stitches to close the cut. We hope you're up and around soon Mike. The whole Kmyta family have been working real hard on the house which looks real nice.

Peter Kwasnycia is also laid up for a while with an injured leg. This is a bad time of year for a farmer to be on crutches and we hope you will be able to throw them away soon Peter.

We have seen Mrs. Woodruff driving around in her brand new pretty blue car. We're coming up for a ride in it Mrs. Woodruff.

Pat Benjamin is home from hospital for a while. Now she is looking for someone to look after her family for the next six months as she will be in hospital and a cast for six months.

Don't forget the Ramona picnic on Sunday, August 23rd.

BURTONSVILLE NEWS

June Homme has been on the sick list but is improved and about her work again. Axel and Emma Homme stayed with the family for a couple of days.

The Friday night hail did considerable damage to grain crops and gardens.

Leonard and Judy Ratkie and family of Spruce Grove visited Cecil and June Homme on Tuesday. Leonard and Jim Scheideman helped Cecil with haying on Wednesday.

Jim and Theresa Miller visited Theresa's mother and David last week.

We are glad to report Mr. George Kiser, who spent some time in hospital, is home again.

Sympathy goes out from the district to the Henkel and Kiser families on the death of their uncle, George Hilzer, who formerly lived in this area.

The real reason Robin Hood robbed only the rich, was because the poor had no money.

Summary Regular County Meeting

Cont. from Page 11

May 31st, 1971 at which time trailer court space should be available in the area.

Mr. G.M. Rekken, President of Swiss Valley Resort Ltd. was present at the meeting and requested assistance in developing the roads and areas around the Swiss Valley Resort on the NW 27-53-1-5. The request was mainly to raise the low portion of the road in the SW 34-53-1-5 to provide entrance to the proposed parking area.

It was agreed that Councillor Vowk be appointed to represent this County on the Board of the Edson Health Unit.

Employment of the following personnel was approved: Danny MacDonald, Cutting Weeds; Mr. Mike Hillyer, Surveyor's helper; and Mr. O. L'Hirondelle, Grader Operator.

Mr. Edward Harrison, Maintenance Man in Wabamun was present at the meeting and discussed with the Council the water and sewer services program in Wabamun.

, It was agreed that a Committee of 5 members of the Council inspect the sewage disposal system in Wabamun. This Committee to consist of Councillors Miller, Bakker, Lent, Mann and Zander.

TENDERS

Two tenders were received for Lot 2, Block 9, Plan 4531 H.W., Tomahawk. The amounts of the tenders were for $400 and $2,100. It was agreed to accept the high tender of $2,100 subject to the condition that the amount be paid in full within 30 days of acceptance of the tender.

The meeting reconvened on Tuesday, August 11th.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, George Mann and Ivan Vowk, Assistant Public Works Manager Kent Craig and Public Works Foreman Ed Webber.

Applications for grader operators were considered and Councillors Bakker and Lent in who's divisions the operators are required were delegated to further consider the applications.

PUBLIC WORKS

Considerable time was devoted to discussion of the entire public works program.

It was agreed to authorize the Public Works Department to hire privately owned equipment, if needed, to complete the 1970 construction program.

Request for oiling of the road from the Town of Drayton Valley to the drive-in theatre was received by Mrs. Deanna Bowen of Drayton Valley. As part of this road is within the Town of Drayton Valley it was agreed that the Town of Drayton Valley be approached to share in the oiling of this road.

Request for improvement of the road in the SW 34-53-1-5 was received from Swiss Valley Ski Area Co-operative Ltd. It was agreed that no action be taken on this request.

Request for permission to place surplus dirt on county owned right-of-way in the SW 4-53-1-5 was received from Mr. George Fuhr of Beach Corner. It was agreed that this request be not granted.

FREEZING NOTES

Judging by the number of ladies who have phoned my office this past month to ask how to freeze this 'n that, I think you'll find some of these freezing facts quite timely.

Have you ever wondered about freezing bananas? how about onions? or what are you going to do with all those saskatoon berries you've been picking?

Before we discuss these specifics, here's a quaint recipe I gleamed from one of my cookbooks. It's a recipe for a frozen dinner recalled by an Arctic explorer. It goes something like this: "kill and eviscerate a medium-sized walrus. Net several flocks of small migrating birds and remove only one small wing feather from each wing. Store birds whole in interior of walrus. Sew up walrus and freeze. Then two years or so later, find the cache, if you can, notify clan of a feast, partially thaw walrus. Slice and serve."

Simple wasn't it? Simple too are the mechanics of home freezing. What we must remember, is that quality produce comes out only if quality produce goes in.

WHAT CAN YOU FREEZE?

The easiest way to answer this query is to tell you not to freeze salad greens; cooked egg whites; custard and cream pies; boiled cake frosting; gelatine salads and desserts; celery, and radishes; mayonnaise or raw tomatoes. Keeping those don'ts in mind -- the sky is the limit.

Now back to those specific questions about saskatoons, onions and bananas.

Saskatoons are flat unless acid is added. Rhubarb, tart apple or lemon juice has the desired effect. When saskatoons are freshly picked and made into pies a tablespoon of vinegar should be added to each pie. A good proportion of fruit is two pounds of berries to one pound rhubarb. Saskatoons may be frozen sugar pack or syrup pack the same method as you would freeze blueberries.

Onions -- Ever wonder if you can freeze onions? Yes, you can. Chopped raw onions may be packed in plastic bags and put in the freezer for several weeks. When fried in butter, they're delicious. If the onions are finely chopped they may be used in salads. The thawed onions look a little transparent but this is not noticeable when they are mixed with other vegetables and dressing in a salad. This is a saving of time rather than money for the busy homemaker, since onions store well and are available the year round at moderate prices.

Bananas do not freeze successfully as slices in syrups or in fruit cups, but banana purees freeze well. To prepare Banana Puree use only fully and uniformly ripe, but firm bananas of good color. Mash or puree quickly to avoid darkening. Add ½ t. lemon juice to 2 cups of 20% syrup. Add 1 to 2 T. syrup for each banana used. Mix well, package and freeze immediately. Will keep up to 6 months. Use in any recipe calling for mashed bananas. Thaw quickly or use the puree frozen or partially frozen.

Contact the South Edmonton or Stony Plain offices for the free publication "Preserve by Freezing". It's an excellent reference book you'll find handy at this time of the year.

CARNWOOD NEWS

The community was saddened recently by the news of the passing of another old timer of the Tunnell and Breton district, Mr. Charlie King. Our deepest sympathy is extended to his wife, Mrs. Emma King of Breton.

Mrs. Frank Cox and sons and Mrs. Edna Van Ember and family have returned home after a few days at Gull Lake, Alberta.

Miss Charlynn Nixon is holidaying with her grandparents, Mr. and Mrs. Lyle Rutherford of Calmar.

Miss Geraldine Foster is now working at "Nicki's Shop" at the Southgate Shopping Centre, Edmonton.

Mr. and Mrs. Jack Meakin of Summerland, B.C. were out in the district for a few days, they also took in the annual picnic at the Carnwood Centre. We were glad to see them looking so well.

Mr. B. Stokes of Portland, Oregon, U.S.A. was visiting his sister, Mrs. Charlie King and Mrs. Willie Hooks. He was also here to attend the funeral of his brother-in-law Mr. Charlie King.

Chris Hanna is staying with his grandmother Mrs. Bill Dieting of Breton while Mr. Dieting is recuperating after an operation.

Get well wishes to Mrs. R.L. Roy's son Lawrence, who is suffering a head injury. They reside at Fort St. John, B.C. Mrs. Roy spent a few days there with her son and family, accompanied by her son Jack of Ontario.

Congratulations and best wishes from the community go to Mr. and Mrs. Earl Lawson.

Mr. and Mrs. Otto Kwast and family and Mrs. Kwast Sr., all of Genesee, visited at the home of Mr. and Mrs. Victor Saunders. Mrs. Kwast Sr. left by plane Wednesday for her home in Germany. She had been here visiting with her son Otto Kwast and Mrs. Otto Miller, her daughter and a daughter Frieda in Edmonton.

There will be a bridal shower for Miss Winnifred Anderson at the Carnwood Community Centre on August 17th at 8 p.m. Ladies please bring lunch.

Get well wishes are extended to Dr. Waugh who is hospitalized. We hope he is up and around real soon.

Miss Shelli Barnett has returned from a few days holiday with her brother and sister-in-law Mr. and Mrs. Robert Barnett of Caroline, Alberta.

Mr. and Mrs. Ted Barnett held a farewell supper for their son Allan who will be leaving shortly for Thailand where he will be spending 2 years. Best wishes to Allan on his new venture from the community.

During the past week United Church has been holding their Bible Vacation School with very good attendance. It was very nice to see some of our young girls assisting in teaching. The week ended up with a wiener roast.

Mr. and Mrs. Ted Barnett have their grandchildren, Ellen, Maryann, Douglas, Kalvin Yeskowsky of Tofield, spending some of their holidays with them.

A number of Legion and Auxiliary members of Warburg branch No. 205 attended the annual picnic at Ziener Park on August 9th.

On August 1st, a number of parents saw their sons off on the first lap of their trip to Camp Shilo, Manitoba. Eight cadets, the largest number ever to attend from Breton, travelled to the camp in Manitoba for summer training.

MOON LAKE NEWS

Timmy Town has been awarded the Calgary Power Junior Citizen Award and will be attending a luncheon at the Palliser Hotel in Calgary on Friday, September 11th. He will be receiving the award from Lieutenant Governor Grant MacEwan. He will be accompanied by his parents to Calgary.

Get well wishes to Mrs. Nels Anderson who has been a patient in the Drayton Valley Hospital.

We hear Dick Woloszyn is doing fine now after cutting his foot on a rock at Seba Beach which required 20 stitches. He is back to work again, and his mother says you can't keep him down.

Congratulations to Diane and Raymond Tufty on the birth of their new son on August 12th. Also to Ethel and Jim Robinson on the birth of their baby girl on August 12th.

Helen and Alex Karvonen and family of Grande Prairie stopped overnight at the home of Helen's parents, Mr. and Mrs. Bill Cherrington.

Nick Urkevich entered the General Hospital in Edmonton Tuesday, August 18th where he will undergo surgery.

The Moon Lake Owls and the Tomahawk Hawks played an exhibition game at the North Edmonton Park on Sunday, August 16th. The score was tied 3-all.

This Tom Thumb League has the youngest players in Alberta, being between the ages of five and eight years.

Chester Town got his bronze medallion in swimming this summer at Drayton Valley.

Sherry and Karen Lang have returned home from a two week vacation in Edmonton where they had been visiting with aunts.

Evelyn Jensen has been relieved of her babysitting duties as Jackie has returned home from Expo in Japan.

Enjoy Success At Lethbridge

Walter and Olive Meston and family, of "Moonshine Appaloosa's", Violet Grove, made a trip to Lethbridge recently, to attend the Provincial Appaloosa Show, and had a very successful day in competition with horses from all over the province. Winnings were as follows:

"Moonshine Martini" placed first in the 2-year-old stud class and "Moonshine Mud" placed 5th.

"Moonshine G" placed first in the Get of Sire class.

Third place in Produce of Dam class was won by "Olwa Pussyfoot".

"Moonshine Meow" won fifth in the yearling stud class.

They have also purchased a Colorado bred mare "Dots Dinero" from Lorne and Vera Knisley of Rocky Mountain House. "Dots Dinero" is by "Rio Dinero" the fine old Appaloosa stallion, who in his younger days, was standing at stud at the Rimrock Ranch, Fort Collins, Colorado, for a stud fee of $1,000. The mare is out of the good foundation Appaloosa mare "Dotsmababy" and will be carrying the service of "Lord Vanity" for a 1971 foal. "Lord Vanity" is an outstanding Thoroughbred by "Hyperion" which is about the best Thoroughbred blood, that you can find anyplace.

Also purchased, at the same time was a loud colored 1970 stud colt by "Lord Vanity" out of the good Appaloosa mare "Three Bells" by "Rio Dinero". The Meston's plan to use the young stallion to cross on their "Moonshine G" mares, when he comes of age. Neither of the above horses will make their home at "Moonshine Appaloosa's till weaning time, as "Dots Dinero" is nursing a beautiful filly that Knisley's plan to keep for their own brood mare band.

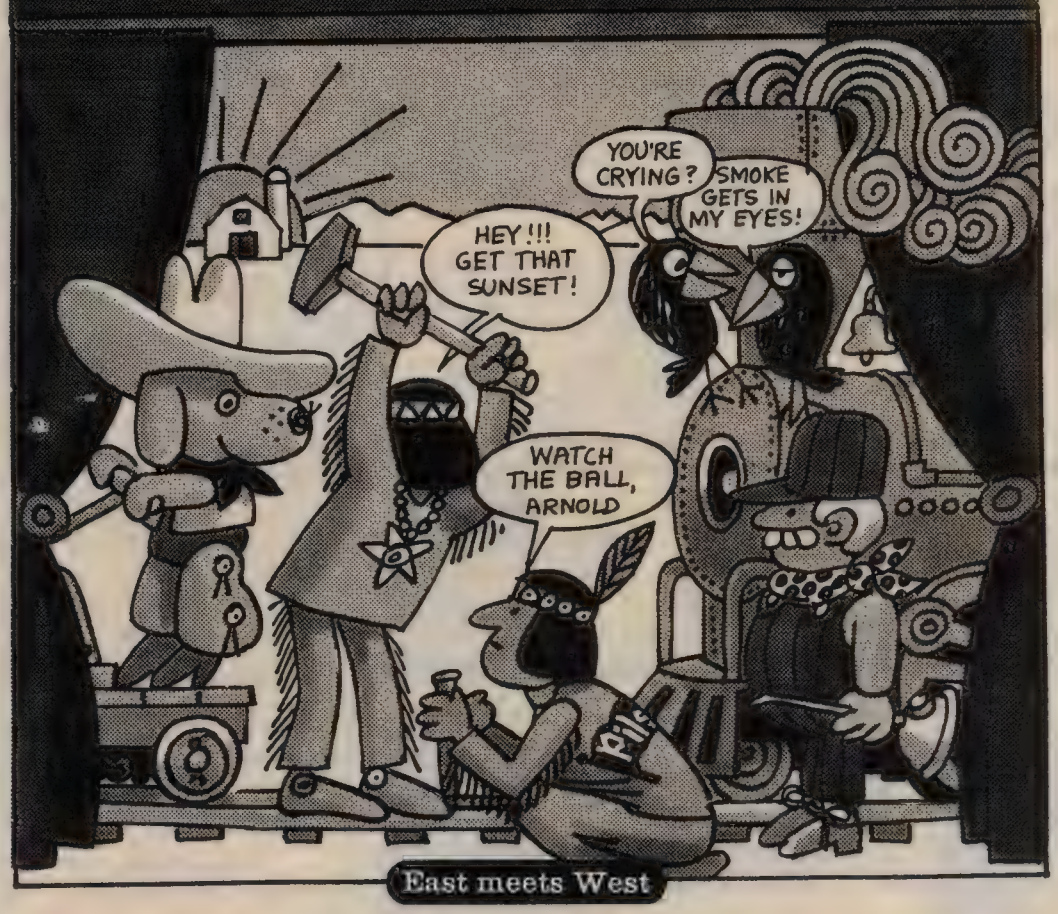
Alberta's Great Moments
Starring the famous players from your lovable Lethbridge label



East meets West

A likely story! But what else can you expect from that crazy cast of characters on our label. They can change the shape of Alberta's great history — but they'll never change the taste of Alberta's great beer. Lethbridge Pilsner: as real and rugged as our pioneer tradition. Famous for good old-fashioned flavour. And it's been that way for nearly half a century. So enjoy your own Great Moments with Alberta's *original* Pilsner. Call for Lethbridge Pil!

Noxious Weed Act Outlined

Because man has recognized the importance of controlling weeds ever since he began to till the soil, the Noxious Weed Act was one of the first pieces of legislation to be passed after Alberta became a province in 1905.

The purpose of the Act is to ensure that noxious weeds are controlled and prevented from spreading to adjacent land, regardless of whether it is urban or rural. Approximately 50 plant species are named under the Act as noxious weeds. These plants have been designated noxious weeds because they are prevalent in this province, a menace to crop production and particularly difficult to control. Their control is the responsibility of every land owner, tenant or person using the land. In other words, these people must prevent noxious weeds from growing on their land, and they must comply with the provisions of the Act which are designed to destroy the weeds.

Responsibility for administering the Act lies with each city, town, village, county or minicipal district. It is the duty of local governments to appoint one or more weed inspectors whose job is to ensure that anybody who occupies land keeps it free from noxious weeds. In Alberta it is traditional for weed inspectors to give advice on the best method of destroying a noxious weed infestation.

An inspector has the authority to enter any property and inspect it for the presence of noxious weeds. If he finds any, he must see that the occupier of the land destroys the weeds by any means that the inspector deems necessary. These means may entail destroying the crop. However, if more than 10 acres of crop are involved, the inspector must get written consent from the director of the plant industry division before exercising his authority.

Usually the person occupying the land will voluntarily carry out the weed inspector's instructions. However, if he refuses to comply with them, the inspector has the right to authorize a third party to destroy the weeds and to charge the expenses to the person responsible. He can also serve the land owner or tenant with a legal document and have him taken to court. Refusal to carry out an order from a weed inspector could result in a fine or even imprisonment.

Trans-Atlantic Birth Experiment

OTTAWA -- Three healthy pigs have been born in England, although their parents were in Canada at the time.

The birth was the culmination of a trans-Atlantic transfer of fertilized eggs from pigs here to a sow in England.

Although fertilized pig eggs have been transferred from one female to another before, this transfer set a record covering more than 3,250 miles.

The piglets got their start in life at the Canada Department of Agriculture's Animal Diseases Research Institute at Hull, Quebec on March 16, 1970.

At the same time, mother pigs in Weybridge, England, were being prepared as foster mothers.

On March 16, three donor pigs were bred at the ADRI. On March 19th, their fertilized eggs were removed in a delicate operation, placed in a liquid medium, jetted to England and tranferrred to a foster mother at the Central Veterinary Laboratory run by the British Ministry of Agriculture at Weybridge.

The time lapse for transportation was about 16 hours.

The British veterinarians recently reported the birth of three, healthy, full-term piglets following the transfer of 34 fertilized eggs to the foster mother.

ATTENTION CATTLE OWNERS

Improvement District No. 14 has been declared a warble control area by Ministerial Order 157/70, signed by the Minister of Municipal Affairs, June 8, 1970.

It is imperative the following regulations be strictly adhered to:

1. All cattle in Improvement District No. 14, except those mentioned in part 3 and 4 shall be treated annually from August 31st to November 30th, with a systemic insecticide registered for warble control under the Pest Control Products Act. Such systemic insecticides as Ruelene, Neguvon, Co-Ral and any other that may be named from time to time, to be administered according to instructions issued on container labels.

2. Milking dairy cows shall be treated from March 1st to May 31st, with a Rotenone back wash pesticide as registered under the Pest Control Products Act (Canada). Dry dairy cows shall be treated in the same manner unless systemic pesticides have been applied according to directions set out by the manufacturer of the said pesticides.

3. Calves under 3 months or weighing less than 300 lbs. and/or animals under severe stress (malnutrition, disease, calving, etc.) may be exempt from treatment, but shall be properly treated upon reaching the required age, weight or recovery from stress.

4. All cattle shall be treated with a recommended insecticide before entering any designated community pasture or any other pasture, private or otherwise in the area.

5. All stocker and feeder cattle brought into the area as breeding, feeder or replacement stock shall be treated with a recommended warble control chemical as soon as weather and other conditions permit.

6. A person or persons who contravenes this Order is guilty of an offence and liable to summary conviction as set out in Section 25 of The Agricultural Pests Act, 1960, and/or the Municipal Government Act 1968, Sections 157, 113 and 114, and Chapter 75, 1969, Section 22, being an Act to amend the Municipal Government Act.

TOMAHAWK NEWS

Mr. and Mrs. Henry Troudt and Gordon are home after visiting Henry's sister Mabel Thompson in Coquitlam, B.C.

Mr. and Mrs. Arthur Welk and family enjoy a wonderful trip to Vancouver Island where they visited Mrs. Welk's grandmother Mrs. Margaret Berry in Qualicum Beach and also her aunt and uncle Mr. and Mrs. Tony Pezzot and cousin Mr. and Mrs. Orin Barkley. They also visited an old friend and school chum Mrs. Goerwoll and Glenn and family. in Victoria, B.C.

The Tomahawk and District Club raffled off a tent trailer with the lucky ticket being held by Walter Rosnau of Stony Plain. The club extends thanks to all the people who sold tickets for the raffle.

A thank you also goes to all the people who helped to make the baseball tournament a success.

WHO'S NEW

Good heifer calves 33.00 to 38.00.

Good yearling steers over 750 lbs. sold from 29.00 to 32.00 per cwt. light ones higher.

Good yearling heifers 26.00 to 29.00 per cwt.

Medium type cows and calves sold from $280 to $340 per set.

Weaner hogs sold under pressure with the bulk of them trading from 9.00 to 12.00 per head

Bred gilt showing heavy $60 to $70 per head.

BUCK LAKE NEWS

Eleven delegates from Buck Lake and surrounding area attended the County Council meeting in Wetaskiwin, August 10th to request that the County hire a Recreation Director, and that a 45,000 lb. load limit be put on the roads in this west country, and that it be enforced.

Gravel trucks have been busy laying gravel on the main street of Buck Lake, which should improve the road to some extent. Gravel was also put on the road south to George Duncans and Wally Wilsons.

Lois Roni (nee Watson) was out to attend her sister's shower on Friday night and visit her parents and family, Stan and Evelyn Watson.

Judy Mills was in hospital again but is better now, and went on holidays with her parents and family.

Lome Trusett is at home now from his job at Melville Island. Art Larsson is also home after an absence of several months, and was helping Larry Prefontaine stack hay for a while.

Daily Vacation Bible School begins at the Buck Lake Baptist Church Monday, August 17th. Some young people from the Wetaskiwin area will be teaching, and the time is 9:30 to 11:30 a.m. every day that week.

The Tonhauser - Watson wedding dance will be held at the Buck Lake Recreation Centre on Friday, August 21st.

An Old Time Fair will be held at the Buck Lake Recreation Centre on Saturday, August 22nd.

There will be an Old Time Dance at the Lions Hall in Winfield on Saturday, September 5th, featuring old time music by George Fontaine and his orchestra.

Some of the luckier Buck Lake residents are 'cooking with gas', natural that is.

Barry Bohning was unlucky in requiring four stitches after he cut his foot in Buck Lake.

Mrs. Margaret Roberts has very kindly consented to have the next ladies club meeting on Wednesday evening, September 9th at 8:00 p.m.

Norman and Joyce Inglis and family and her father, Mr. Jens Bakaas, attended her brother Roger's wedding in Ponoka, Friday, August 14th.

Visiting with Sig and LeOpal Larrson on August 8th were his brother Henry and Rhoda of Edmonton. Sig's niece Florence and Bert Truman of Fox Creek visited them on Tuesday, August 11th.

Jim Foster motored to Cremona last weekend to his sister's and on returning brought his niece, Patsy May, with him to visit relatives here for a while. Pat is the daughter of Mr. and Mrs. Dick May (nee Irene Foster)

Madeline Prefontaine had a nice visit with her nephew, Corporal and Mrs. C.L. Mareschal and their two little sons, on Thursday, August 13th. Corporal Mareschal is stationed with the R.C.M.P. in Winnipeg. They have been holidaying at Ma-Me-O Beach.

Sunday visitors at Fred and Ede Draders were his sister, Mr. and Mrs. George Stacy of Morrinville. At the Inglis home were her sister Edna and Willie Krysta and family of Ponoka. At Mike Thomas's home was his brother Phillip of Exetor, California, and at the George Fontaine's were his brother Bud and Pat Fontaine of Calgary and a cousin, Morley and Joyce Fontaine of Wetaskiwin.

BUCK CREEK NEWS

The Breton United Church was the scene of a lovely wedding on August 7th when Miss Viletta Travis became the bride of Mr. Kenneth Nelson, both of Buck Creek. Following a reception and dance in the Buck Creek hall, the happy couple left on a honeymoon trip which took them to Jasper, Banff and Montana. They will be making their home in Drayton Valley.

Mrs. Kay Johnston's mother, Mrs. A. Yourston of Edmonton, has been spending the past two weeks at the Johnston home.

We are sorry to hear that Mrs. John Roos is a patient in the Breton Hospital.

Get well wishes also go out to Mr. Bill Genik, a patient in an Edmonton hospital.

The Emmaus Lutheran Church in Drayton Valley was the scene of a lovely wedding on August 1st which united Miss Linda Melin of Alder Flats, and Mr. Brian Throndson of Winfield in marriage. A reception and dance was held in the Alder Flats community hall. The happy couple will reside in Ft. McMurray where the groom is employed.

Mr. and Mrs. Joe Safronovich and family enjoyed a trip through Montana, Idaho, Washington and the Okanagan Valley.

Mr. and Mrs. Adolf Smestad are driving to Ft. St. John this weekend. They are returning their grandchildren to their home, the children having spent their holidays with their grandparents.

The Walter Stec family have returned from a trip which took them to Vernon, B.C., Banff and Sylvan Lake.

The ladies ball tournament held in Buck Creek last Sunday was won by the home team with Buck Lake second, Alder Flats third and Winfield fourth.

The community club bingos will be held on the first Friday of each month, starting September 4th.

Hot Weather Angling

When the sun comes up, the fish go down, and all the good fishermen go to town.

This little bit of doggerel is for anglers to remember in the summer time, when the sun's rays strike the earth more directly than at any other season. When this happens, the shallow water in lakes warms quickly as the sun rises, and most species of fish withdraw into deeper water for the remainder of the day. Here they stay until late evening when the sun's rays are more slanted and the water begins to cool.

Red Fisher

Successful hot weather anglers, says Red Fisher, the fishing expert at Mercury outboards, know that the best fishing begins near sun up and lasts about two hours. From then on it's a matter of seeking the deep holes and fighting the hot sun if you want to continue fishing.

Then, again, during evening the water cools, many insects hatch and small fish return to the shallows to feed. This draws the interest of larger fish which pursue the insects and little fish. At certain times, this evening fishing will extend late into the night.

Hot weather, shallow-water fishing is generally considered top-water angiing. And since the sun isn't up much of this time, it takes lures that make noise to be really effective. The fly rod and popping bug combination; a spinning outfit with light, noise-making plugs; a bait casting rod with an outsize popper--all these are good top water lures.

Attend Wedding In Lac La Biche

Mr. and Mrs. A. Boulanger of Drayton Valley had the occasion to attend the wedding of their granddaughter in Lac La Biche. The bride was the daughter of Mr. and Mrs. Boulanger's oldest daughter. The bride's parents are Mr. and Mrs. Eugene Routhier of Atmore. It was a pleasure for Mr. and Mrs. Boulanger since they were able to meet many relatives and friends. They were most happy since all their children were present. Pictures were taken of the four generations on Mrs. Boulanger's side of the family. The great-grandparents of the bride were Mr. and Mrs. Simon Duperron of Plamondon.

Mr. and Mrs. Boulanger were especially happy to meet their nephew and his wife who were present at the wedding from Algeria.

The bride and groom, Mr. and Mrs. Campbell, came to Drayton Valley to visit Mr. and Mrs. Boulanger on the way back from their honeymoon.

Pop Concert

The skaters at the summer skating school will be holding a pop concert tonight, August 19 at 8:30 p.m. in the arena.

Admission is set at 25¢ and 50¢. Everyone is welcome.

Time To Clean Bins

Preventing insect infestations in farm stored grain is better than trying to control them.

The following steps recommended for this time of year by L.K. Peterson, entomologist with the Alberta Department of Agriculture, could be the means of eliminating many headaches next winter.

(1) Sweep all the dust and grain from walls, ceilings and floors of the bin or granary.

(2) Repair cracks and crevices where insects or rodents could enter.

(3) Using a residual spray, treat floors, walls and ceilings with methozychlor 50 percent wetable powder at the rate of 1 pound in two gallons of water or with malathion 57 percent premium grade at the rate of 1 pint in two gallons of water. Use one gallon of either solution for every 750 square feet of bin surface.

(4) Wait one week before storing grain in treated bin.

(5) Never store the new crop on top of old grain. Such a practice creates ideal conditions for the saw-tooth grain beetle and other insect infestations.

(6) Whenever possible store the new crop in a different building from the old.

EXPECTED HOME

Mr. and Mrs. Pare' are looking forward to the arrival of their children from Algeria.

Recreation Round-up

by
MIKE GORMLEY

SOCCER PROGRAM PLANNED

A soccer football program is planned for the fall season in Drayton Valley. This program will involve boys from twelve to fourteen years of age or generally those attending Junior High School. There are no immediate plans to include other age groups, although this would be possible later on if the program should meet needs at other levels.

Dennis Reid who teaches Physical Education at the Junior High School and who is an accomplished soccer player will spearhead the program and will also lead the way in coaching the sport. Others who will be instrumental in the promotion of soccer in this community this fall are Nagel Oakes and Dave Harrison, both teachers at the Jr. High. Any person interested in the game of soccer should get in touch with the Recreation Department.

Soccer is a fine form of athletics, an excellent conditioner with unlimited action going both ways. It is a demanding sport, bringing out the best in an athlete. Soccer is to Great Britain what hockey is to Canada or what baseball is to the United States. The game has become very popular in some parts of Canada and is played quite extensively all across our country, especially at the minor levels, with an age range from eight to eighteen years. Here is also a game that is easy to learn and little equipment is required for participants. It is a game that can be made readily available to any group inclined to play it.

Soccer was introduced locally last year, however, weather conditions during the autumn months were not favorable, consequently the sport did not have that much chance to prosper in its initial year. This coming season should offer something more favorable for soccer enthusiasts and give this excellent type of athletics an opportunity to become an important phase of the Drayton Valley Recreation program. Application forms for the soccer program are available at the Recreation Office.

LITTLE CANADIAN FOOTBALL

As you know a program of Canadian Football will be offered once again this year for boys in the ten to twelve age range. To date registration in this program has been very satisfactory. It looks like we will have enough boys to form a three team community league as has been the case in past years.

"Little Canadian" Football is played according to the Canadian Football rules with some modifications and adjustments to suit the age group involved. As an example, the game is played on a miniature field, 80 yards carry by 40 yards wide instead of the regular football field. Goal posts are also cut down to a size comparable to the smaller field. The ball used is expecially made for "Little Canadian" leagues and is somewhat smaller than the regulation football.

To date response has been excellent in regard to coaching for this season. Additional help is needed and anyone wishing to give a hand contact the Recreation Office, phone 542-3440. Registration forms for the "Little Canadian" Football program are available at the Recreation Office. Register early - it helps to get off on the right foot. Late registrations can cause quite a problem in any program.

MEN'S BASKETBALL

We have had some requests as to the possibility of organizing a men's basketball team for the 1970-71 fall and winter season. This would be an excellent sphere of activity and offer an opportunity for men to partake in a form of competitive sport especially for those not particularly keen on hockey.

At the present time we are sounding out possibilities for such a program. If we have enough interested people, no doubt but it will go ahead. Details as to facilities, availability of games and other such matters could be worked out without any serious problems. Let us hear from you if you are interested in the formation of a men's basketball team. Contact the Recreation Office or phone 542-3440.

"He's going to propose . . . as soon as there's a ring sale down at the discount store!"

Cadets Leave for Camp

Breton cadets are shown above ready to board the bus on the first leg of their trip to Camp Shilo Manitoba, for the annual summer training camp. Shown in the photo are Training Officer Lt. Lyle Oulton and Cadets J. Ayrey, C. Jackson, G. Linde R. MacLean, M. Oulton, L. Rieck, D. Sorenson and Cpl. N. Westling. Captain W. Wynnyk, Officer Commanding the corps was attending the National Cadet Conference in Eastern Canada when corps members left for camp. The Breton corps. is sponsored by Breton B.P.O.E. No. 402.

Drayton Valley Wins Tomahawk Tourney

Tomahawk sponsored a men's baseball tournament on Saturday and Sunday, August 8th and 9th with eight teams participating.

The first game on Saturday was delayed two hours due to rain. After the field dried a little Alberta Beach and Spruce Grove played with Alberta Beach winning 11-2.

In the second game Drayton Valley beat Breton 3 to 2; third game, Easyford over Gunn 22-5; fourth game, Bright Bank defeated Tomahawk 13 to 3; fifth game, Alberta Beach 1 and Drayton Valley 8; sixth game, Gunn 5, Spruce Grove 2; seventh game, Easyford beat Bright Bank 6 to 4; and in the eighth game Breton defeated Gunn 26 to 0; ninth game was won by Drayton Valley over Easyford 8 - 7.

Drayton Valley won top prize of $100 by defeating Easyford 8 to 7. Second was won by Breton over Gunn. They won $60.

The Tomahawk Mite baseball team went to Stony Plain to play the first game of a series of 2 out of 3 games for the County Trophy. Tomahawk was first in the western division and Stony Plain was top in the eastern division. The next game is scheduled for Tomahawk on Saturday at 6 p.m.

The Tomahawk Ladies Fastball Team won the trophy for the western division by beating Drayton Valley Angels by a score of 6 to 5.

The Tomahawk and Moon Lake Tom Thumb teams motored to Whitecourt on July 26th to play an exhibition game at a men's fastball tournament. Tomahawk won by a score of 5 to 4.

The Little Canadians and Bantams are into the final playoffs of the series.

BERRYMOOR NEWS

Congratulations to Mr. and Mrs. Gordon Tryon on the birth of a daughter in the Drayton Valley hospital on August 6th.

Mr. and Mrs. Morgan Bannister of Worsley, Alberta visited with relatives in the district recently.

Mr. and Mrs. C. Pearson of Calgary were recent visitors at the home of their daughter, Mrs. Lester Cropley. They brought Myrnitta home after she had spent part of her summer holidays in Calgary.

Sincere sympathy is extended to Mrs. Wideman and her family on the death of her father, Mr. S. Annette of Castor, Alberta.

Congratulations to Mr. and Mrs. Earl Lawson who were married on August 4th at Leduc. A reception, open house and dance followed at the community hall in Warburg. A number of local residents attended.

Miss Judy Brower of Pincher Creek was a weekend guest at the home of Mr. and Mrs. Donald Martin.

A shower was held recently in the Berrymoor community centre for Mr. and Mrs. Earl Lawson. The young couple received many nice gifts for which they graciously thanked everyone.

Mr. and Mrs. Clifford Johnston and family were recent visitors at the home of Mrs. Florence Johnston. They have returned from B.C. and will be making their home at Fort Saskatchewan.

Mrs. Ann Van Ember has retured home from hospital in Edmonton. She has a cast on her leg but still manages to get around very well.

Mr. and Mrs. Jim Martin and family are away on holidays to various parts of B.C.
